RESPONSE TO RESTRICTION REQUIREMENT

Customer Window, MS Amendment  
U.S. Patent and Trademark Office  
Randolph Building  
401 Dulany Street  
Alexandria, Virginia 22314

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed March 7, 2006, Applicant hereby provisionally elects claims 1-14 for continued examination.

The Examiner has required restriction between claims 1-14 drawn to a method of making semiconductor devices, and claims 15-20 drawn to a semiconductor device because the Examiner asserts these inventions are independent and distinct.

Dated:

Respectfully submitted,

By
